WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

Rear Admiral Felix Johnson
Director, Office of Naval Intelligence
Department of the Navy
Washington 25, D. C.

Dear Admiral Johnson:

I take pleasure in commending two persons of your organization, Lt. Cdr. Glenn C. Stock and Cdr. J. A. Meyertholen, for their exceptional performance and extraordinary efforts in connection with the China Trade Studies.

Their contribution was prepared under extreme pressure of time and involved many hours of extra effort as well as a great deal of initiative and persistence in discovering, compiling, and analysing previously unexplored and inaccessible data.

I am sure that you will agree with me that these Studies are among the most successful joint efforts completed in the intelligence community and have contributed materially to the national security.

Sincerely,

WILLIAM F. MOYER
